

See Early Feature Incentives for Beta Hard Launch, Here

Features with a Direct, Call to Action Purpose

With over 600+ million in our network, we're allotting a predetermined selected amount (up to 70%) of our ad revenue to proactive social consumers that purchase your merchandise or service through an Individual, Proactive Social Participatory Pay-it-Forward Strategic Philanthropy Initiatives Values system(s), providing Direct Digital Impulsive Buying Algorithm(s), At Its Best.

With this early access promotion, we're offering **100% Guaranteed Flat Rate Pricing** and 100% ad view opportunities to any individual advertiser that wants to be seen by consumer **Media Eyes**. (at hard launch)

ROI's based on traditional systems that rely on consumer income and finance cannot match a system that provides/pledges/donates/forwards cost of consumer consumption of product and service.

We're **Paying-it-Forward** with you and for your participation. Join Us!

Proactive Ad Plays®

Mom & Pop Specialty shops, here's your chance to work with the
Big Boy advertisers, with their proactive blessings

This feature gives a new meaning to the word competition by allowing your competition or friendly storefront neighbor to include your business in their ads with reward.

Here's an Example:

Most everything manufactured and sold has a product or aftermarket product that can be used or go with it, and your Proactive Ad Play neighbor can refer you to those consumers with Spending Credits that were given to them for purchasing their product.

Small businesses with under 10 employees, pay attention to this promotional offer. Routinely, large “Big Boy” advertisers will seek-out the Proactive Ad Play incentives algorithm for discounted ad space and co-op an ad with you. Put your small business on our SB/PAP list of participators that will be selected by Big Advertisers by simply joining [HERE](#).

(Small Business Member, thank you for your participation in advance. Please look for update emails that may end up in your junk mail, it's very important that you respond when ask for additional information to prepare for your profile and the beta hard launch that's coming up next very soon.)

Tag! You're It® & Logo Tag® features

Salespeople, don't forget, you can join separately and individually of your employer and be a part of our e-mail marketing algorithms, marketing yourself with our Direct Business Card Marketing features.

Thank you for your participation in advance, by using this early access opportunity, you'll be placed on a DBCM data participant list and marketed to a network of over 600 million within iCHATit.com marketing campaigns, TODAY.

Please look for update emails and your Business Card Art Work request that may end up in your junk mail, it's very important that you respond when ask for additional information to prepare for your profile and the beta hard launch that's coming up next very soon. [Sign-Up HERE!](#)

On-the-Spot-Deals®

An auction in reverse, merchant special deal sent to consumer email box. (this feature lets you start with your Highest price “bidding” and the buyer tries to talk you down, in private)

An automated post will be sent “**You have an On-the-Spot-Deal®**” to consumer page an app, with GPS tracking map of your location

Want to Buy

This feature allows consumers to post what they want to buy with credits.

Merchant sponsors can browse list and send an On-the-Spot-Deal®
email ad to consumers.

Consumer can click “I Want It®” and start the purchase process.
